ACADEMIC ACTIVITY CALENDAR 2026–27

Introduction

Government Degree College (GDC) Shopian is committed to fostering academic excellence, holistic development, and social responsibility among its students. The Academic Activity Calendar for the session 2026–27 has been thoughtfully designed to provide a balanced blend of curricular, co-curricular, and extracurricular activities that enrich the educational experience and contribute to the overall growth of learners.

Diverse Opportunities for Learning and Development

The calendar encompasses a wide range of academic, cultural, scientific, literary, sports, and community engagement activities aimed at nurturing talent, creativity, leadership, and critical thinking. These initiatives provide students with valuable opportunities to explore their interests, acquire new skills, and broaden their perspectives beyond the classroom.

Building an Inclusive and Vibrant Campus Community

A dynamic and inclusive campus environment is essential for meaningful learning. Through collaborative events, awareness programmes, outreach activities, and student-led initiatives, the college seeks to strengthen bonds among students, faculty, and the wider community. Such engagements promote teamwork, mutual respect, and a strong sense of belonging.

Empowering Students for Future Success

The Academic Activity Calendar serves as a platform for students to discover their potential, develop confidence, and prepare for future challenges. By actively participating in the planned activities, students will enhance their academic competencies, interpersonal skills, and professional readiness. We encourage all students to engage wholeheartedly in these programmes and make the most of the opportunities available during the academic session 2026–27.

The major activities/ events and tentative dates for the academic year are listed below
