On the eve of International Day Against Drug Abuse and Illicit Trafficking, the GDC Shopian, under the leadership of Prof. (Dr.) Mohd Shafiq, Principal, NSS units, NCC, and NCORD organized a series of impactful programs in collaboration with the District Legal Services Authority Shopian.

Here's an overview of the activities:

1. **Seminar:** A seminar was conducted to educate and raise awareness about the dangers of drug abuse and the importance of combating illicit trafficking. The event gathered a significant audience including students, members of civil society, and youth. Orators delivered insightful speeches, imparting crucial knowledge and skills to safeguard society against the menace of drugs.

2. **Rally:** A rally was organized to demonstrate the community's collective commitment to a drug-free society. Volunteers and students actively participated, carrying placards with slogans condemning drug abuse. This rally aimed to educate and alert people about the detrimental effects of drug abuse on individuals and communities.

3. **Pledge Ceremony:** Participants took a solemn pledge to refrain from drugs and to proactively engage in efforts to prevent drug abuse and illicit trafficking in their surroundings. This ceremony underscored their commitment to initiate change, beginning with their homes and extending to their communities.

The conclusion of the program saw Prof. (Dr.) Mohd Shafiq, Principal of GDC Shopian, expressing appreciation for the efforts of all stakeholders involved in making the program a success. Special recognition was given to the NSS units, NCC, and NCCORD for their dedicated contributions. Their combined efforts highlighted the importance of collaborative action in addressing the challenges posed by drug abuse and illicit trafficking.

Overall, the initiatives undertaken by GDC Shopian and its partners underscored a strong commitment to fostering awareness, education, and community involvement in the fight against drug abuse and illicit trafficking. Such efforts are crucial in promoting a healthier and safer environment for society.
