Message from the Dean of Students

Dear Students,

It gives me immense pleasure to extend a warm welcome to you as new members of our college family. Your admission marks the beginning of a new chapter in your academic and personal journey, one that is filled with opportunities, challenges, and growth.

Our institution is not only committed to imparting knowledge but also to nurturing values, creativity, and leadership. As you step into this new environment, I encourage you to embrace the spirit of curiosity, discipline, and collaboration. Make the best use of the resources, guidance, and support systems available to you.

Remember, college life is more than academics. It is about developing character, building lifelong friendships, and discovering your true potential. Always uphold integrity, respect diversity, and contribute positively to the campus community.

We, at the Dean of Students' Office, are here to support you in every possible way—academically, socially, and emotionally. Never hesitate to reach out whenever you need guidance.

I wish you success, happiness, and fulfilment in the years ahead. May this journey help you grow into confident, responsible, and compassionate individuals.

With best wishes,

S/d

Dr. Nazir Ahmad Bhat

NOTICE

Subject: Punctual Attendance

Punctuality and regular attendance are key to academic success and personal growth. It has been observed that some students are arriving late or missing classes, which hampers both their learning and the overall classroom environment.

All students are kindly reminded that 75% attendance is compulsory to qualify for end-semester examinations. Maintaining punctuality will not only help in meeting this requirement but also ensure better understanding of concepts and active participation in classroom activities.

Students are, therefore, advised to value their time, respect classroom discipline, and attend all classes regularly and on time.
