Message from the Dean of Students Welfare

*** My Dear Class Representatives**

I warmly welcome you all to your role as Class Representatives. You are an important link between the administration and your fellow students, and your contribution will play a vital role in ensuring effective communication, problem-solving, and student welfare.

As CRs, I encourage you to:

- *Act responsibly and represent your classmates with honesty and fairness.*
- *Share genuine concerns, suggestions, and feedback from students to the administration.*
- *Encourage active participation of your peers in academic, cultural, and extracurricular activities.*
- *Uphold discipline, cooperation, and respect within your classes.*

Remember, leadership is not about privilege but about responsibility. Through your efforts, we aim to build a supportive, inclusive, and vibrant campus environment where every student feels heard and valued.

I look forward to meeting you soon to discuss important matters ,In Sha Allah.

With best wishes

Dr. Nazir Ahmad Bhat

Dean Students Welfare
