Notice

Subject: Mandatory Wearing of Identity Cards

Pursuant to the recommendations of the Dean of Student Welfare (DSW) and endorsed by the principal, this is to notify all students that the wearing of Identity Cards (I-Cards) is mandatory across the entire college campus.

All students must visibly display their valid I-Cards at all times. This measure is critical for ensuring campus security, facilitating access to college facilities, and streamlining administrative processes. No student will be allowed to enter the college premises without a valid Identity Card. Strict compliance with this directive is expected from all students. Non-adherence may result in disciplinary action.

Furthermore, the **Convener of the Discipline Committee** is requested to ensure strict implementation of this directive.

Note: All Class Representatives are kindly instructed to circulate this notice among their respective student groups of ongoing semesters.
