Report on Road Safety Awareness Rally

A **Road Safety Awareness Rally** was organized by *Government Degree College Shopian* on 23rd February 2026 under the aegis of the Road Safety Committee, with the objective of sensitizing students and the general public about the importance of road safety and responsible behaviour on roads.

The rally witnessed enthusiastic participation from a large number of students, along with members of the Road Safety Committee and faculty. The programme commenced from the college grounds and proceeded towards Taxi Stand, Shopian, covering important public routes to maximize outreach and visibility.

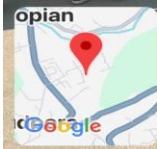

Students carried banners and placards displaying significant road safety messages, slogans, and guidelines aimed at promoting awareness regarding traffic rules. The rally emphasized key aspects such as the use of helmets and seat belts, avoiding overspeeding, discouraging mobile phone usage while driving, and following traffic signals and regulations.

During the course of the rally, students actively interacted with drivers, pedestrians, and members of the general public. They highlighted the importance of safe driving practices and responsible road usage, thereby fostering a sense of collective responsibility towards preventing road accidents.

The rally successfully created awareness among the public and reinforced the message that **road safety is a shared responsibility requiring cooperation and commitment from all stakeholders.**

The programme concluded on a positive note with active engagement and participation, reflecting the institution's commitment towards promoting social awareness and civic responsibility among students.
