Prof. Tariq Hussaian Mir

Principal

Dear Students,

It gives me immense pleasure to address you and reflect upon the positive transformations taking place at Government Degree College Shopian. Over the recent period, our institution has witnessed remarkable progress in academics, infrastructure, and student engagement.

We have strengthened our academic environment by introducing innovative teaching practices, enhancing faculty support, and ensuring a more student-centred approach to learning. The increased participation of students in seminars, workshops, and co-curricular activities is truly commendable and reflects your growing enthusiasm for holistic development.

Our campus is steadily evolving with improved facilities aimed at creating a more conducive and inspiring learning atmosphere. At the same time, the discipline, commitment, and sense of responsibility demonstrated by you all have significantly contributed to maintaining a vibrant and respectful academic culture.

I am particularly encouraged by your active involvement in community outreach, cultural programs, and sports activities, which showcase not only your talents but also your dedication to personal and social growth.

Let me assure you that the college administration remains committed to your academic excellence and overall well-being. I urge you to continue striving for higher achievements, uphold the values of integrity and discipline, and make the most of the opportunities provided to you.

Together, let us continue this journey of progress and excellence.

With best wishes,

S/d

Principal
